COMPILED AND PUBLISHED BY

Henderson Directories Limited

Regina and Winnipeg

Copyright, Canada, 1946, by Henderson Directories Ltd., 279 Garry St., Winnipeg

Introductory

The present volume constitutes the 1946 edition of Henderson's Directory of Regina. The work embodies a complete epitome of the civic, commercial, social, and industrial interests and activities of the municipality. It is a modern Directory in all its parts and includes all the essential features which have proven so satisfactory to our patrons in previous issues; these have been retained and amplified, and improvements have been added as suggested by experience in order to add to the value and usefulness of the Directory thus fully meeting the requirements of patrons; the approbation and continued patronage accorded the work are constant incentives to better service.

The publication has had the benefit and advantage of the complete organization and resources of the publishers, and of the skill and experience of their corps of enumerators and compilers added to the courteous co-operation of citizens, in the production of the volume.

To save paper it has been necessary to condense the information by changing the streets to three columns, and also increasing the number of names on the page of the alphabetical section. This has been done to comply with provision of Order No. 295 of the Wartime Prices & Trade Board.

THE STREET AND AVENUE GUIDE

THE STREET AND AVENUE GUIDE starting on page 97 features the names of all streets and avenues arranged in alphabetically and numerically, giving the location, number on the street and showing the occupant.

The intersecting streets are shown in the order that they come.

✧ Denotes that there is a Telephone in the house.

THE ALPHABETICAL DIRECTORY

THE ALPHABETICAL LIST OF NAMES of citizens, business firms and corporations starts on page 173.

THE CLASSIFIED BUSINESS DIRECTORY

THE CLASSIFIED DIRECTORY at the end of Book, exhibits the various manufacturing, mercantile, and professional names, compiled under headings appropriate to the class of industry or profession followed.

REGINA POPULATION

Estimated population of 61,200.

ADVERTISING REGINA .

An important function of the Directory is to set forth the characteristics and advantages of the city as a place of residence, as a business location, as an industrial site, and as an educational centre. The Directory acts as a mirror, reflecting all that is noteworthy in the city in the above respects. In order to spread this information regarding the city broadcast over the country, the publishers have placed copies of this issue of the Directory in the directory libraries, where they are readily available for reference use by the public. There they serve as perpetual advertisements of Regina, for business men the country over realize that the City Directory represents the community as it really is.

The publishers take this opportunity of thanking the citizens for valuable assistance rendered in the way of furnishing information concerning themselves, their friends and their business interests for this Directory, and also the public-spirited and progressive business and professional men for support given in the way of patronage.

Respectfully, The Publishers,

HENDERSON DIRECTORIES LIMITED.

August 7th, 1946.

Regina

Regina, Capital of the Province of Saskatchewan, is situated 357 miles west of Winnipeg on the Canadian Pacific Railway main transcontinental line and in the exact centre of population for Western Canada. Incorporated as a city in 1903, with a population of 3,000, Regina has grown solidly and steadily until recognized today as the fourteenth city in size in the Dominion of Canada.

The City was named as the first train arrived at 9 o'clock, August 23, 1882, by Princess Louise, Duchess of Argyle, wife of the then Governor General of Canada, in honor of Queen Victoria.

The first settlers of the district arrived in May, 1882, and subsequently a canvas town sprang up where the trestle bridge carries the main track of the C.P.R. across Wascana Creek, about a mile west of the centre of the City.

The selection of the townsite of Regina was arranged jointly by the Government and the C.P.R. Company. Early in 1883 an officer of the North West Mounted Police was sent to select a suitable place for the headquarters of the force, which had previously been at Winnipeg. On his return the lands at present occupied by the barracks were selected.

At this time an agreement had been completed between the Dominion Government and the Railway Company to enter into partnership regarding certain townsites, one of which was to be the seat of Government for the North-West Territories. Acting under this agreement the General Manager of the Railway Company, then W. C. Van Horne, and Mr. Dewdney, the Governor of the Territories, selected four sections, viz: 19 and 30, township 17, range 19, and 24 and 25, township 17, range 20, west of the second meridian, to constitute the Townsite of Regina. These selections were subsequently vested in Messrs. Osler, Scarth, Smith and Angus, trustees to administer and divide the net proceeds between the Federal Government and the Railway Company.

The arrangement for the control of the townsite by the Townsite Trustees was terminated by Order in Council of 29th December, 1900, and by further Order in Council of 6th April, 1903, the granting to the Municipality of the lots in the Townsite which had reverted to the Crown was authorized.

Up to March 7, 1883, when the Roundhouse was burned, Regina had been a Divisional Point on the C. P. R., but after that date the headquarters of the Division was removed to Moose Jaw.

By Order in Council, 27th March, 1883, the Town of Regina was declared to be the seat of Government of the North-West Territories in place of Battleford.

In the Spring of 1883, the first school was opened in the town. The original Dominion Lands Office, a low frame building, was brought up on a flat car from Troy (afterwards called Qu'Appelle) and placed at the corner of Broad Street and Victoria Avenue.

A public meeting was held in April, 1883, to discuss the matter of the site of the proposed post office, the site finally selected being on Victoria Avenue.

On May 13, 1883, Lieutenant Governor and Mrs. Dewdney arrived to take up residence in Regina. They were met on arrival by a large number of citizens, and His Honour was presented with an address.

Regina was made a Money Order Point on July 1, 1883. A public meeting was held and a citizens' committee formed to carry on the business of the town. Mr. John Secord, Barrister, was appointed secretary, and Sub-Committees were appointed on Finance, Sanitation, Fire and Water and Miscellaneous Affairs. A committee was also appointed to draft a charter of incorporation, and the Finance Committee were instructed to collect \$2,000 by public subscription for public works.

Elections for the North-West Council were held in August, 1883. Mr. William White was selected for the Regina district. The Fifth Council of the North-West Territories was opened by Lieutenant Governor Dewdney on August 22, 1883. A bill entitled, "An Ordinance Respecting Municipalities," was introduced in the North-West Council on September 12, 1883, and a public meeting of citizens was called to discuss the matter of incorporation.

In October, 1883, a lot on Eleventh Avenue, near Rose Street, was sold for \$275. At this time farm lands in the vicinity of the City were worth about \$5 per acre.

On Monday, October 8, the Civic Council met and took final steps to comply with the Ordinance to provide Municipal Government. The Government Buildings, Council Chambers and Indian Office on Dewdney Avenue were completed in October. The first telephones, privately owned, were introduced into the town at this time.

Nominations for the first Municipal Elections took place on January 3, 1884. Two hundred and thirteen votes were polled, and the following were elected: J. W. Smith, J. A. Kerr, J. D. Sibbald, James Hambley, Daniel Mowat, W. H. Gibbs and D. L. Scott, the last named, who later became Judge of the Supreme Court of Alberta, being the first mayor.

Regina was incorporated as a City on June 19, 1903, under Chapter 28 of the Ordinance of the North-West Territories, 1903-4, and became the Capital and Seat of Government of the Province of Saskatchewan.

The Parliament Buildings, the erection of which was commenced in the fall of 1908, stands in its own grounds of about 160 acres south of Wascana Lake and within the City Limits. It has been said that there are no Parliament Buildings more dignified or better adapted to the needs of legislative work than those of the Saskatchewan Capital.

CITY GOVERNMENT

The Government of the City is vested in a Council. It is what is regarded as a modified form of Commission Government with the Council as the Legislative body, and the City Commissioners as the Executive. The powers of both are combined in "The City Act." The Council consists of the Mayor and ten Aldermen. The Council is elected by wards. The mayor is elected annually, while the Aldermen hold office for two years. The mayor and the members of the Collegiate Institute, Public and Separate School Boards are elected at the same time by a vote of the city at large.

FINANCIAL CENTRE

Regina is unquestionably the financial centre of the province and its development in this respect is remarkable. Eight Canadian Chartered Banks have branches in the city. The Bank Clearing House Association was established and commenced business October 1, 1909.

A very large volume of business is transacted in the purchase and sale of bonds and debentures of the municipalities and school districts of Manitoba, Saskatchewan and Alberta, the City being the headquarters of Western Canada for this class of business.

RAILWAY CENTRE

Fourteen rail lines radiate in all directions from the city, serving 640 towns and villages in the main trading area over 4,303 miles of trackage. Freight and express shipments from the city can reach practically every point in Western Canada in twenty-four hours.

DISTRIBUTING POINT

Regina offers unrivalled facilities for the distribution of merchandise throughout Western Canada. The city is the largest distributing centre of farm machinery in the world, business in this line having reached \$35,000,000 in the year. 137 wholesale concerns are situated in the city's industrial area.

MUNICIPALLY OWNED INDUSTRIAL SITES

Regina occupies a unique advantage for industrial development in that it owns a large portion of its original townsite, 300 acres of which have been set aside for a model industrial area. This property is only three blocks from the downtown business and financial section and is exclusively reserved for wholesale and manufacturing premises. The area is paved, and the property is served with spur trackage, sewer, water, power, walks and street railway. Its freight depots and unloading platforms are convenient to the entire area, while still about six miles of spur track frontage is available. Such control by the city prohibits speculation with industrial site property. Located in the city are 84 industries, 137 wholesale businesses and 706 principal retail and service establishments.

MUNICIPAL OWNERSHIP

The City owns its own street railway, light and power and water systems.

Regina has an abundant supply of water for all purposes which possesses the distinctive feature of being the coldest supply at source of any on the North American Continent.

CENTRE OF GRAIN GROWING AREA

Surrounding Regina is the finest grain growing district in the world. Saskatchewan is the greatest grain growing province in the Dominion and produces annually one half of the Canadian hard wheat crop. As producer of quality hard wheat Saskatchewan leads the world, having won the world's prize eleven times during the past sixteen years.

LIVE STOCK

While Saskatchewan has always been considered the Premier Grain Growing Province in the Dominion there is abundant evidence that she will, in the not distant future, occupy an equally outstanding position in the realm of livestock.

At the Royal Winter Fair, Toronto, and at the International Exposition, Chicago, the high quality of our Saskatchewan livestock has been demonstrated over a long period of years.

An increase is shown in the cattle population of the province, and considerable improvement is being brought about by Pure Bred Sire Areas and the use of better bulls.

In sheep, in swine and in poultry every effort is being made to improve the quality and encouraging results are being obtained. This is evidenced by the fact that in swine, a Saskatchewan Barrow was successful in winning the Grand Championship at "The Royal Winter Fair" in 1930, the first occasion on which this coveted award has been secured by any province in Western Canada.

EDUCATIONAL CENTRE OF PROVINCE

From the educational and social points of view, the City also offers every advantage. The City has the Regina College, a branch of the University of Saskatchewan, St. Chad's (Anglican) College, Campion (Roman Catholic) College, and the Provincial Government Normal School, as well as a Lutheran College.

Besides this group of educational buildings there are 22 public and separate schools, 2 collegiate institutes and the Balfour Technical School opened in 1930 and one of the largest buildings of its kind in Western Canada. There are 57 churches, Y.M.C.A., Y.W.C.A., 2 public hospitals and several private nursing homes, a public library with 4 branches and 6 commercial schools.

Contributed to the City by one of the earliest residents, Mr. F. N. Darke, the Darke Building for Music and Arts affords a facility for large gatherings seldom found in much larger centres.

CENTRE FOR THE TOURIST TREK

Tourists going north or south or east or west find in Regina a charm and gaiety to match the mood of holiday and to lend a pleasant interlude to any trip.

Not only does the "Queen City of the Plains" have much of interest, beauty and historical value to give the visitor, but it offers the nearest centre from which roads lead off to the wonderland of Saskatchewan, into the hills, the lakes, by tree-lined roads, into the glory of the pine-clad north.

To reach this city of the plains, and Capital of the Province, you travel through a fascinating country. A land of thrilling spaciousness, a boundless, rolling plain of fertile soil and far stretched fields of waving grain, the land of appealing beauty, of long days of sunshine, glorious colorful sunsets, clear air—a land that holds you in its spell and calls you back when you are gone.

Visitors will find a modern, bustling centre. There are excellent hotels, a most comfortable and charming tourist camp, splendid theatres, modern and extensive shopping facilities, beautiful drives, splendid golf courses, aquatic facilities, libraries and shady parks.

On the southern shore of Lake Wascana are the magnificent grounds and buildings of the Provincial Government. Visitors are always welcome and can visit the library and reading rooms during the day. A view of the city from the high dome over the Legislative Chambers is a sight amazing to those who know not of the distances of vision on the prairies. The gorgeous grounds invite a quiet walk amidst the cooling shade beside the lapping water of the lake.

In the library will be found many relics of great historical value, chief of which is the Confederation Table. Around this massive board sat Fathers of Confederation who brought the scattered parts of the settled East into the unity which today, as the Dominion of Canada, holds a place of high regard among all countries of the world.

One should not fail to visit the Natural History Museum in the Provincial Normal School on the other side of the lake. Here, in lifelike form, can be seen the birds and animals that make their homes upon the prairies.

Towards the edge of the city is the western headquarters of that famous force, the Royal Canadian Mounted Police. A short visit to the barracks grounds will show the older buildings from which the law was administered to a western nation, even into the Arctic.

Splendid highways and rail lines lead to the Capital from all directions, and to the guests who come by aeroplane one of the best airports in Canada is available.

Recreational and entertainment facilities afford a varied selection for pleasure under ideal surroundings, and short distances take the visitor to cooling sandy beaches on lakes in the historical Qu'Appelle Valley.

In this valley of many an Indian legend is the chain of lakes renowned for their great beauty and their joy to camper and to fisherman.

But little farther to the south and east are the beautiful Carlyle Lakes, a place to rest and greet the tourist who has entered from the United States. To the west are the vast lakes that draw the hunter in the Fall to the call of duck and goose that rest in thousands on their surfaces. On into the Cypress Hills where trout abounds, in wooded beauty of these foothills can the holidayer go to find a happiness and joy in care-free days and health and vigor in the brilliant sunshine.

Turning back into the north again one finds without a warning of its presence a wonder spot of the central part of Saskatchewan. Little Manitou Lake reposes near the town of Watrous and to the healing water of this "Carlsbad of America" come thousands every year. Health indeed has come to hundreds who seek the magic of its powers, just as did the Redmen of the plains a hundred years ago, and thousands of the birds whom hunters' guns have wounded or ailment overtaken.

On into the north through a fairyland of lakes and dells that trace their pattern over miles of green terrain and into the pine and birch clad land of peace and beauty — into the great Prince Albert National Park — the playground of the West.

Little known and little heralded are the beauties of Saskatchewan. So vast in its boundaries that it could be a nation in itself. So rich in the resources of nature, that it has drawn the eyes of the continent to its possibilities. So gorgeous in its varied beauties that those who have learned have stayed and wandered not from its entrancing rendezvous. So cheery and so genuine in its friendliness and greeting that hearts are warmed and burdens lifted with its charm.

Regina is the centre from which to start this intriguing exploration that will make your vacation a memorable one. Go forth as a vagabond adventurer and find your joy and peace and rest — return again to the city where your welcome never cools — and on to meet the labors of the day inspired, renewed and with memories and happiness that even time cannot remove.

Pax Vobiscum

CITY HALL

Regina's City Hall is situated at the corner of Eleventh Avenue and Hamilton Street. The funds for its erection were to a great extent provided by the sale of the townsite lands.

HEADQUARTERS OF MILITARY DISTRICT

Regina is also the headquarters of Military District No. 12, which comprises the Province of Saskatchewan. This adds much to the business and social life of the City.

CEMETERIES

Regina City Cemetery, n. s. 4th Ave. near Hamilton.

PARKS

Alexandra Park—Generally known as Broad Street Park.

Dewdney Park—Southeast of Dewdney Bridge.

Osler Park—Broad at 12th Avenue

Rotary Park—Situating south of Wascana Creek between Albert Street and Retallack.

Victoria Park—Situating on Lorne St. between Twelfth Avenue and Victoria Avenue.

Parkdale Park—Situating on Queen North.

Wascana Park—Situating to the south of the City, has a frontage of a quarter of a mile along the Wascana Lake. This Lake extends for nearly two miles east, and affords excellent facilities for boating, bathing and skating, of which full advantage is taken. A large boat Club building and boat livery are situating on the shores of the lake. A civic bathing house is maintained for the free use of the public.

Park de Young—Situating on Robinson Street and Tenth Avenue.

No. 2—Park de Young, between 9th and 10th Avenues.

No. 3—Block 255, between 9th and 10th Avenues.

No. 4—Block 330, and portion of 329, between Victoria Avenue West and South Railway Street, Argyle Street and Princess Street. These grounds are available for baseball, football and tennis courts.

No. 5—Maple Leaf Park, south-east.

No. 6—Blocks 70 and 71, north-east.

Municipal Golf Courses—Tor Hill Golf Course, Boggy Creek.
